

non native english students pdf

Non-native pronunciations of English result from the common linguistic phenomenon in which non-native users of any language tend to carry the intonation, phonological processes and pronunciation rules from their first language or first languages into their English speech.

Non-native pronunciations of English - Wikipedia

A foreign language is a language originally from another country. It is also a language not spoken in the native country of the person referred to, i.e., an English speaker living in Spain can say that Spanish is a foreign language to him or her.
